

CODE	Art. 1898
TRADE NAME	BENZINA AVIO
PRODUCT TYPE	SOLVENT

Technical characteristics

Blend with high degreasing and smearing power for the treatment of different surfaces including metal, wood, marble and fabric. This product, made with selected raw materials for rapid evaporation, has an extraordinary solvent power that makes it easy to clean even the most resistant stains. Thanks to its formula and the quality of the raw materials used, the mixture is stable and does not deteriorate.

Applications

Make use of cold produced by dipping or using the brush.

Use a cloth soaked in gasoline Avio directly on the material to be treated and then let it evaporate.

Safety data

And 'advisable to make a preliminary test before each final use of the product, in compliance with the standards and good working practices. Do not disperse the product or the packaging in the environment container.

Chemical and Physical Property	
Physical state	Liquid
Colour	Colourless
Odour	Characteristics
Flash point	< 0°C
Relative density	0,720 ± 0,02 g/cm ³
Boiling range	93°C – 100°C
Water solubility	Insoluble
